

# Finger Play

1. Listen to a story about hands.
2. Say three things you learned about hands (e.g., thumbs help pick up things).
3. Say a poem and use your hands to act it out.
4. Make a craft that uses your hands as part of the project (e.g., finger paint, trace hands).
5. Complete an activity using your fingers (e.g., build something with blocks, knead bread).
