

# God's World

1. Who made our world? Learn Genesis 1:1.
2. Act out the story of creation while someone reads or tells it.
3. Sing a song about your world.
4. Look at a globe and show where you live.
5. Name five of your favorite things God created for you.
6. Make a collage, color a picture of God's world, or take a walk outside and find things He made.
